The AirRam high-performance cordless vacuum is designed to make heavy duty cleaning quick and easy.

One of our most innovated cordless vacuums that maximizes cleaning performance and ease of use to make vacuuming your home easier. The revolutionary design combines ultra-lightweight design with powerful cleaning convenience. Easily clean pet hair, cereal, oatmeal, and other common household messes across bare-floors, area

rugs, and carpets seamlessly.

 Faster and easier cleaning: Revolutionary design gives powerful cordless freedom and ultra-light maneuverability.

- Professional-grade Lithium-Ion battery for cordless power and cleaning convenience.
- Designed to seamlessly clean across multiple surfaces, from carpets to bare floors, and area rugs.
- Removable dirt bin engineered to make it easy and clean to empty.
 Features empty slider to help push out hair, dust, and debris after vacuuming carpets and bare floors.
- Ultra-light without the bulky fight. Advanced swivel steering gives total control around furniture and lay flat handle makes it possible to vacuum hard to reach spots.
- Suction Squeegee design features a rubberized sweeper that changes directions to open and close as you clean to vacuum large debris and give superior edge cleaning.
- Bright wide range LED lights make it easy to see the dirt and get the dirt.
- Collapsible handle that takes less space to store.
- Battery is removable for flexible charging and storage options. Power level lights tell you how much power is left to clean.

Push Power Sweepers

Highly Efficient, Easy To Operate, 21" Wide, Dual Brush System Sweeper

The two brushes rotate in opposite directions grabbing the debris directly in front of the sweeper then deposits the debris into the easy to empty 5.3-gallon container.

Deluxe Turbo Sweeper, Easy To Operate, 31" or 38" Wide, Triple Brush
System Sweeper

The patented Turbo sweeping system sweeps twice with one move! The two front brushes rotate in opposite directions grabbing the debris directly in front of the sweeper while the brush roller on the bottom picks up all the fine particles, all the debris is then deposited into the large easy to empty 13.2-gallon container.

NO

Highly Efficient, BATTERY POWERED, Easy To Operate, 31" or 38" Wide, Triple Brush System Sweeper

The two front brushes rotate in opposite directions grabbing the debris directly in front of the sweeper while the brush roller on the bottom picks up all the fine particles, all the debris is then deposited into the large easy to empty 13.2-gallon container.
