EasySweep+

Space saving vertical storage

Battery powered with 120 minutes runtime

Dust protected 7-stage height adjustment, for optimal cleaning performance on different floors.

Hold down & side guide for sweeping close to the edge.

2 front brushes and 1 bottom brush sweeps 2X with one pass

Ergonomic padded push bar.

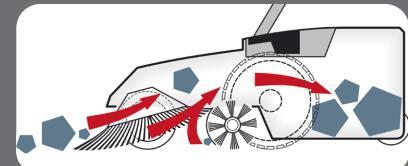

Sealing lip & filters keep dust and dirt inside the machine.

Debris container with new closing mechanism for easy opening and new discharge edge for convenient emptying.

Projecting disc brushes enable sweeping of hard-to-reach areas - under edges and at corners.

The patented Turbo sweeping system sweeps twice with one move! The two front brushes rotate in opposite directions grabbing the debris directly in front of the sweeper while the brush roller on the bottom picks up all the fine particles, all the debris is then deposited into the large easy to empty 13.2-gallon container.
